2010 CASPA Board of Director Election

Dear CASPA members,

CASPA has grown stronger and more influential in the US and in Asia, with your membership and continuing support. The success of CASPA depends solely on the unselfish devotion of volunteer members. One opportunity of enjoying the great tradition of CASPA and making a difference to the community is to become an elected director of CASPA board member (Board of Director). It is a wonderful personal experience that you perform volunteer work with new and old friends. You shall be responsible of organizing symposiums, interacting with international and domestic organizations, planning for foreign delegation visits, or editing publications. You also have ample opportunities meeting industry veterans and receiving foreign delegations.

The election of new Directors will be an important agenda of our upcoming Annual Conference to be held on Oct. 23, 2010 in Santa Clara Convention Center, California. You are encouraged to participate in the election if you meet the following qualification. "The directors to be elected for the ensuing year shall be elected at the annual meeting by the attending members and they shall serve for a term of two years. Any active individual member with at least six months of CASPA membership before the election is qualified as candidate of Directors."
